How precise do you want? The last time Tom saw Suri was in Iceland on the weekend of June 16/17th.

Working on the other bit!

Just need a file noting how Suri's ordinarily a happy girl but she's been crying a lot this week, obviously the changes in her life are tough for her, but Katie's clearly trying to give her a normal life.

And can we figure out precisely the last time Suri saw Tom?

Thanks!
